

Block Manager - Livelihoods

Background and General Description:

The Government of India has launched The National Rural Livelihoods Mission (NRLM) under the Ministry of Rural Development (MoRD). The Mission aims at creating efficient and effective institutional platforms of the rural poor enabling them to increase their household income through sustainable livelihoods enhancements and improved access to financial and public services. The agenda is to mobilize the rural poor and vulnerable people into self-managed, federated institutions and support them for livelihoods collectives. In addition, the poor would be facilitated to achieve increased access to their rights, entitlements and public services, diversified risk and better social indicators of empowerment.

Further to these objectives, the Government of Maharashtra has constituted the Maharashtra State Rural Livelihoods Mission, registered under the Societies Act 1860. A State Mission Management Unit has been constituted as a dedicated support structure to deliver the mission in the State. The MSRLM aims to build a team of high quality professionals for providing technical assistance to the districts in various thematic areas such as social inclusion, rural livelihoods human resource management, creating human and social capital, Environment Management, financial inclusion, monitoring and evaluation, MIS etc.

MSRLM would make intensive efforts to stabilize and promote existing livelihoods portfolio of the poor in farm and non-farm sectors. As part of promoting livelihoods, MSRLM would develop activity/trade clusters of farm and non-farm enterprises. The clusters would focus on productivity improvement, quality promotion and cost competitiveness and support pro-poor market systems through aggregation of rural producers and facilitate engagement with market players. There is growing evidence that productive partnerships between peoples' institutions, public and private enterprises are very effective in co-producing and delivering services for the poor in the last mile. MSRLM would make dedicated efforts to pilot, learn and scale-up such productive partnerships for various value chain development activities for key livelihoods of the poor including agriculture, dairying/livestock, fisheries, forestry and non-farm sector.

Thus, persons recruited and performing successfully could expect to be associated with the mission on a long term basis. For administrative policy reasons, the contract of this position will be for 11 months and renewed further based on performance and requirement.

Posting:

The posting will be at Block Mission Management Unit (BMMU) level in Ratnagiri, Palghar, Nandurbar, Solapur, Jalna, Osmanabad, Wardha, Yawatmal, Gondia, Gadchiroli, Chandrapur, Beed, Sindhudurg, Thane & Nashik.
