

## Mission Manager – Insurance

### Background and General Description:

The Government of India has launched The National Rural Livelihoods Mission (NRLM) under the Ministry of Rural Development (MoRD). The Mission aims at creating efficient and effective institutional platforms of the rural poor enabling them to increase their household income through sustainable livelihood enhancements and improved access to financial and public services. The agenda is to mobilize the rural BPL households into self- managed, federated institutions and support them for livelihood collectives. In addition, the poor would be facilitated to achieve increased access to their rights, entitlements and public services, diversified risk and better social indicators of empowerment.

Further to these objectives, the Government of Maharashtra has constituted the Maharashtra State Rural Livelihoods Mission, registered under the Societies Act 1860. A State Mission Management Unit has been constituted as a dedicated support structure to deliver the mission in the State. The MSRLM aims to build a team of high quality professionals for providing technical assistance to the districts in various thematic areas such as human resource management, rural livelihoods, social inclusion, environment management, financial inclusion etc.

Persons recruited and performing successfully could expect to be associated with the mission on a long term basis. For administrative policy reasons, the contract of this position will be for 11 months and renewed further based on performance and requirement.
